<u>History of Computers</u>

Use the text books, the internet or other resources to research the *History of Computers*. You are to document (point form is fine) the people and their contribution to the development of computers. Below is a list/guideline for your research:

- ☐ Definition of a Computer
- ☐ Abacus
- ☐ John Napier
- ☐ William Oughtred
- ☐ Blaise Pascal
- ☐ Gottfried Liebnitz
- ☐ Joseph-Marie Jacquard
- ☐ Charles Babbage
- ☐ George Boole
- ☐ William Burroughs
- ☐ Herman Hollerith
- ☐ William Burroughs
- ☐ Alan Turing
- ☐ Atanasoff & Berry
- ☐ Vannevar Bush
- ☐ Howard Aiken
- ☐ Mauchley & Eckert (ENIAC)
- ☐ EDVAC
- ☐ Brattain & Shockley
- ☐ UNIVAC
- ☐ Development of the Transistors
- ☐ Development of the Integrated Circuits
- ☐ IBM
- ☐ Steve Jobs & Steve Wozniak
- ☐ Bill Gates & Paul Allen

<u>Computer Generations</u> :

There are 5 computer generations in which major developments occurred. Research each of these.
